**Both FFS and SNCs Continued**

The incentive payment total for PY 2 increased by \$2,121,260 over the PY 1 total (\$9,811,600). From 2017 to 2018, the number of participating FFS service office locations increased from 906 to 916, and participating SNC service office locations increased from 50 to 66. The total number of unduplicated beneficiaries increased by 14,300 (245,290 (PY1) to 259,590 (PY2)). The number of beneficiaries receiving two years of continuity decreased from PY1 to PY2 because 63% (154,926) continued to receive care in the third year (2017). Beneficiaries are only counted once in a given program year toward their highest level of continuity. Each year new 2-year continuity counts begin.; program year 2 includes two beneficiary groups (2 year and 3 year).
